ANTECEDENT OF GC:-

1. Few years back Mr. Srinibas Mishra along with other 3-4 members (the founder of GC) were gathering some youngsters of Bankatia village started to show their interest in social works, they voluntarily helped impecunious people round them. Moderately they helped the needy people of their neighbor villages. Those youngsters were being praised by the villagers for their good deeds, conversely there was Mr. Ganeswar Mishra a benevolent man gave a piece of his land to those youngsters. They decided to build a club and named it as GANESWAR CLUB (GC). Then the club was legalized on 19th September in 1980 and registered in Nehru Yuba Kendra to do youth activities, for more improvements it collaborated with OREDA, BBSR (smokeless Chula activities) and also joined in NEAC (national environment awareness campaign) scheme of the ministry of environment forests and climate change, govt. of India. In 1987 GC registered in FCRA to get financial assistance from abroad. It was the first time to get EZE (GPC) support from Gandhi peace center for engaging in socio economic activities. After that GC received support from TDH (Terre Des Homes), CWS, HIVOS & GOVT. and kept developing and reached its complete form. It has been working for approximately 30,000 families of Hindol block, Dhenkanal district, Odisha. Now GC is also helping people from different districts like Cuttack etc.

2. AIMS & OBJECTIVES OF GC:-

It focuses on raising mass awareness; motivate people to combat the miseries of life to improve quality of life adhering to their initiatives towards ecological balance and economic development. Development of community organization, basically GC focuses on sustainable developments as follows,

- ❖ Forming people's organization for creating unity and integrity.
- ❖ Promotion of human resources development, agriculture, village craft, and occupational trades for rehabilitation and economic improvements
- ❖ Promoting community education, health, and sensitization to the extent of minimum requirements.

3. MISSION:-

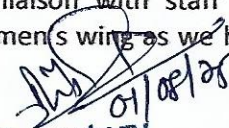

Our mission is to create a society free from all types of discrimination and violence against women and men, where we to facilitate the weakest section of the society for their socio economic for sustainable development.

4. VISSION:-

The organization envisions just social order where women and men can participate equally in all aspects of the society and create without poverty, illiterate exploitation and prejudice with dignified living.

5. OUR CORE TEAM MEMBERS:-

The management body of GC hold apex eleven members, out of which four is female members and other seven are male members. Its function is to make primary policies for the organization and indulge 80 members in different categories. It has a CORE COMMITTEE for guide and smooth administration, in which there are five members. Secretary and program coordinator are the member of the management bodies those who keep liaison with staff and management. The woman coordinator cum assistant secretary is especially responsible for women's wing as we have more emphasis to women wings.

1	16/06/24	33
2	24/06/24	25
3	01/09/24	42
4	15/12/24	31

GOVERNING BODY MEETING

SL.NO	DATE	PARTICIPANT
1	22/05/24	12
2	28/08/24	08
3	11/12/24	08
4	26/03/25	09

11.COMMITTEES:-

They also offer the opportunity for group problem –solving and can be a forum for presenting multiple points of view. Committees are also the training ground for future leadership and an arena where emerging leaders can test and refine their skills and abilities. Committees and commissions are formed for studying a problem or issue and then making recommendations to resolve the issue.

In our organization, there are formed 12nos committees for better achievements of organization. In this committee there are 6-7nos members, and the chairperson of all committee is a governing body member and the convener is the staff. The committee meeting will be held 4times in a year.

SL NO.	NAME OF THE COMMITTEE	NAME OF THE CONVENER

2.OBSERVATION DAYS

Mother's Day:-

Mother's Day is an annual celebrated in the United States on the second Sunday in May. Mother's Day recognizes mothers, motherhood and maternal bonds in general, as well as their positive contributions to their families and society.

We celebrated this day at Kendupatia and Chhotapada village with the presence of 55nos participants. In that villages we observed many more games such child feeling, blind game etc. In this observed day, all the mothers of these villages were presented and also participated in selected games and finally some gifts are distributed to all mothers.

World Environment Day:-

World Environment Day (WED) is celebrated annually on 5 June and encourages awareness and action for the Protection of environment. It is supported by many non-governmental organizations, businesses, government entities, and represents the primary unites nation outreach day supporting the environment. In our premises, there is celebrated World Environment Day. In this programme there is encourage all the A1 students of our existing 16nos GP. Apart from that, some cultural activities of children held.

World Day Against Child Labour:-

The International Labour Organization (ILO) launched the World Day against Child Labour in 2002 to focus attention on the global extent of child labour and the action and efforts needed to eliminate it. No child exploitation for a healthy nation. A child should be taught to LEARN, not forced to EARN. Children need LOVE and Care, child labour is not FAIR. Let the child earn KNOWLEDGE, not MONEY. We were celebrated this day at Kendupatia village with the presence of 50nos children. In this programme we conducted rally on against child labour and also salient role play against child labour. We first time celebrated this observed day and this was very effective programme.

International Youth Day:-

International Youth Day (IYD) is an awareness day designated by the United Nations that takes place on August 12. The purpose of the day is to draw attention to a given set of cultural and legal issues surrounding youth. The first IYD is observed on 12 August 2000. International Youth Day is observed annually on August 12. It is meant as an opportunity for governments and others to draw attention to youth issues worldwide. During IYD, concerts, workshops, cultural events, and meetings involving national and local government officials and youth organizations take place around the world.

We observed this day at our premises with the presence of Mr. Srinibas Mishra, president of our organization and 16nos youths out of our existing 16nos gp. In this programme we conducted some introduction games. After that the presidents gave some information and qualities and role of leadership. Apart from that all youth wrote their dreams for upcoming 30 years. Lastly they prepared an action plan for their own village.

Independence Day & Republic Day:-

The Independence Day observed at our office premises in the presence of all the staffs, nearest school children and our members. On this auspicious day we celebrated as well as remembered all the freedom fighters.

World Literacy Day:-

India observes International Literacy Day on September 8th, along with the rest of the world, to promote literacy and education across the country. International Literacy Day is an international observance, celebrated each year on 8 September. It was declared by UNESCO on 26 October 1966 at the 14th session of UNESCO's General Conference and celebrated for the first time in 1967. The literacy day celebrated at Panchapada and Dandiri village. In these villages, there are many more activities conducted like: rally on literacy, role play by children and many more games regarding literacy. In this meeting the village president, ward member, ASHA adolescent and children.

➤ Awareness camp for personal health and hygienic of adolescent:-

Adolescent girls face unique health challenges, including sexual and reproductive health concerns, nutritional deficiencies, mental health issues, and risky behaviors, impacting their overall well-being and future. But the most important issue is that when she faces the use of sanitary pads. Sanitary pad use among adolescent girls is on the rise, with studies showing a significant increase in their use in recent years. While cloth pads are also used, sanitary pads offer better hygiene and protection. Several factors influence the use of sanitary pads, including socioeconomic status, education level, media exposure, and awareness about menstrual hygiene.

In this sense we organized an awareness camp for periods and also use of sanitary pads at Bedapada government UPS on 28th September 2024, where present 62Nos adolescent girls and the research person was Miss Bishnupriya Rout, the staff of our organization.

➤ Children's Day:-

In India, Children's Day, celebrated on November 14th, honors the birth anniversary of India's first Prime Minister, Jawaharlal Nehru, who was fondly called "Chacha Nehru" by children, and to celebrate the potential and rights of children.

In this sense we observed this day at Madhapur village with the presence of 35nos children, village president and ward member and vidyaa sathi. In this meeting, we conducted a rally on library functioning, debate and games.

➤ International human rights Day:-

Human Rights Day and the Universal Declaration of Human Rights. Human Rights Day is observed annually around the world on 10 December.

In the presence of 14nos GC staffs we observed International Human Rights Day, in this way we discussed in below:-

The Covenant deals with such rights as freedom of movement; equality before the law; the right to a fair trial and presumption of innocence; freedom of thought, conscience and religion; freedom of opinion and expression; peaceful assembly; freedom of association; participation in public affairs and elections.

➤ Eye checkup camp:-

2nos eye checkup camp was organized by GC in 2 phases with the collaboration of Kalinga eye hospital, Dhenkanal. Total 57nos are identified for cathartic operation. It is a focus activity in our area where those peoples were getting facilities in free of cost.

Cultural programme

➤ Laxmipooja celebration:-

Like every year this year we also organized a Laxmipuja in our premises. On this occasion we also celebrated cultural activities. Our laxmipuja was held on 16th October 24 to 23rd October 24. This program was very attractive due to partly social issues involved.

➤ Ganesh chaturthi & Shree Panchami (Saraswati pooja) :-

These two poojas are the symbols of luck & knowledge. We celebrated them in our organization campus every year. It brings purity in mind and makes the atmosphere sanctified.

- In kukuta 7, the AWH does handle the total pre education activities in the absence of AWW.
- In Barhmpur1 and Barasahi AWC, there AWHs are more interact in preschool activities as well as TLM preparation, like Gobindapur 1 and Khaliborei3.
- All 17nos mini AWC upgraded to full AWC.

✓ **Running of 40nos VLC:-**

VLC (Village Learning Centre) is one type of learning center, where teacher is called as (VS) Vidyaa Saaathi. This center belongs from class 3 to class 8. It runs on basis of TaRL (Teaching at Right Level).

Objective:-

To accelerate children's acquisition of foundational literacy and numeracy skills.

It aims to ensure that all children, regardless of their age or grade, develop basic reading and arithmetic abilities, especially those who haven't acquired these skills even after progressing through higher grades.

- ✓ Providing programs to help families develop literacy skills together, promoting early childhood education, and supporting parents as they help their children with homework.

[Handwritten signature]
Secretary

- ✓ Providing after-school programs, summer camps, and other recreational activities to help children and youth develop their interests and talents.
- ✓ Topic cover in VLC:-
- ✓ Odia and Math
- ✓ Assessment of children
- ✓ Extra activity
- ✓ Observation day celebration
- ✓ Result:-
- ✓ Out of 40nos VLC, there is 453+431=884nos students are involving for teaching by 28nos VS.
- ✓ Out of 40 VLC, there are 21nos in village and 19nos at school level.
- ✓ Lesson plan have prepared by VS
- ✓ **Science kit used:-**

A science kit is a collection of tools, materials, and instructions designed to make learning about science hands-on and engaging, especially for children. These kits provide a structured approach to exploring scientific concepts through experiments, catering to different age groups and learning levels. They offer a way to make abstract scientific principles more concrete and relatable, fostering a love for science and encouraging curiosity. Science kits are a fantastic way to bring science to life! They provide hands-on experiments and activities that make learning both fun and engaging. In GC intervention area, there are 5nos MDLS (Multi-Dimensional Learning Space). There are divided 42nos school (18nos HS and 24nos UPS) into 5nos MDLS.

SL.NO	STAFF NAME	SCHOOL COVER
01	SambitSamal	08
02	SanghamitraSahu	08
03	RuneliNahak	06
04	PratitpriyadershaniSiyal	11
05	Bishnupriya Rout	09

Objective:-

- ☐ To describe, explain, predict, and control natural phenomena, as well as foster critical thinking and problem-solving skills.
- ☐ Allow students to engage directly with scientific principles by conducting experiments themselves.
- ☐ Science refers to a scientific approach that emphasizes the importance of obtaining accurate results based on empirical evidence, critical evaluation, and the ability to falsify hypotheses in order to improve our understanding of the world.
- ☐ Science kits provide hands-on experiences that help students grasp abstract scientific concepts more concretely.
- ☐ By conducting experiments, students learn to analyze data, draw conclusions, and solve problems.
- ☐ Science kits encourage students to ask questions, formulate hypotheses, and design experiments to test their ideas.
- ☐ By troubleshooting issues and finding solutions, students enhance their problem-solving skills.
- ☐ Science kits often involve open-ended experiments, encouraging students to think creatively and come up with innovative approaches.
- ☐ **Methodology:-**
- ☐ Action Plan for all 12 month plan for all schools.

 Secretary
 CLUB

- ⑦ Syllabus of experiments per month
- ⑦ Science experiment whatsapp group
- ⑦ MDLS visit
- ⑦ Phone calls regarding more experiments.

Result:-

- ⑦ Out of 24nos UPS, there are 10nos schools are conducting science kit by themselves and out of 18nos HS, there are 9nos schools by themselves.
- ⑦ Through this science kit use learning is very easy for teacher as well as students.
- ⑦ The use of science kit helps students for participate in science execution.
- ⑦ According to the teachers this kit helps them make their science classes excitement and entertainment for children.
- ⑦ for a better understanding of science theory and practical classes are necessary.
- ⑦ By the theory classes children got the idea of subject while practical experiments clear their fundamentals.
- ⑦ It noticed that in the practical day the attendance of students increased.
- ⑦ 10nos HS and 8nos UPS science teachers are conducted experiments without help of our staffs.

✓ Career Guidance :-

Out of 47nos of HS and colleges, there are 43nos covered below listed 4nos phase for career guidance. Apart from that

In the career guidance session (SELF DISCOVERY), we are following 4methods.

Such as:

Phase 1 Inspiration, Interaction & basic career guidelines (do's & don'ts)

Phase 2 Holland Code Test, Self discovery

Phase 3 Exposure of different Course/Career, (Career Chart & Planner)

Phase 4 Counseling (1:1)

(Counseling guidelines, CSM Website, Chat Boat)

SELF DISCOVERY:-

We are selected 15nos HS (our intervention area) for "SELF DISCOVERY"

Sl.no	Class	Topics	Student involved
01	9th	My Inspiration	207+241=448
02	9th	My School, My Dream & I	173+188=361
03	9th	My Hobbies	142+161=303
04	10th	My Inspiration	195+225=420
05	10th	Setting My Goal	110+106=216
06	10th	My Education Plan	130+188=318

- We are conducting 43nos career guidance program me where presented 2800nos in phase - 1, 2748nos in phase -2, and 2702nos in phase-3 students.
- Career chat boat, CSM app and Website use by 251nos students.
- Students at first only knew three streams Arts, Science and Commerce, now they also knew about other vocational. To strengthen their skill.

- Now students are selecting their career paths according to their skill.
- More changes will be found when all steps of CG and self-discovery will hold properly.
- One to one counseling is a game changer almost 62nos students have changed their career after 1-1 counseling.
- Banner discussion works like a map for students that help children to grow their idea about career path.
- 15nos HS teachers are volunteered conducted CG programme at their schools.

❖ DHWANI FOUNDATION

Dhwani Foundation is a non-FC fund. To understand the current scenario of the social sector organizations, get deeper insights into grassroots challenges and analysis of organizational development needs. Their challenges and our approach to organizational development and change management. With a positive feedback on the need for such a programme and insights into the grassroots sector in the state, it is prepping to launch the Niranthara organizational Development programme in the state of Odisha.

In the Niranthara Classic programme it focus on 8 components. Such as: **Compliance, Finance and accounting, Human Resources, MIS technology, Governance, Leadership and Strategy, Programme and planning, Fund raising and marketing.**

Goonjan

MIS & Technology

Goonjan is cloud-based MIS software that has been specifically designed for the development sector. It has been successfully used for over a decade and serves as a comprehensive solution for NGOs to manage their programme related data for all stakeholders, including beneficiaries, donors, volunteers, and staff. Goonjan is highly effective in monitoring programme outcomes and taking data driven decisions.

Through this software we store our data for long time. In this software we put science experiment, which are conducted in our intervention area schools. Apart from that we also secure our all programme details as well as all report.

14. CASE STUDY:-

"It is easier to build strong children than to repair broken adults."

Village :-Gobindapur
 Total population :-492(male) +415(female) =907
 Total Household :-180nos
 Name of AWW :-Lalita Jena
 Name of AWH :-Kabita Behera
 Beneficiary name :-Pratyush Paika
 Father name :-Satyanarayan Paika
 Mother name :-Anjali Paika
 Date of Birth :-15/01/2020

**Before Intervention:-**

Gobindapur village is under Khaliborei gram panchayat. In this village there are two AWC. Satyanarayan Paik and Anjali Paika live in this village with their son Pratyush Paika. Pratyush is 3 years old, but due to some mental issue he is not capable to talk. If someone is talking with him, he only looks at that person. He only calls his father and mother. After he is entered 3 years, his name enrolled in AWC -1, but his parents did not agree to send him to AWC because of his not understanding and not talking. The AWW and GC staff Seemarani Biswal had gone to his home for sending him to AWC. In that time, with the help of India Literacy Project, this AWC is taking for preschool activities by GC. In this sense there are functioning many more cognitive and other new activities for children development.

**After Intervention:-**

The AWH always takes Pratyush to AWC. The AWW is taking training from GC on language, Math and Cognitive activities. At first some days he did not sit with all children, he sat along in a corner. The AWW gave more importance to him the involvement of children by him. After some days he changed his behavior like sat in the circle with all children, close his eyes in prayer time, when the AWW is doing some activities her emphasis on that child because he can't participate in activities. After doing the same roles, there noticed when the AWW ask some questions to children like other children he also raise his hand but all the children raise right hand but he showed left hand, in that time before the AWW correction he rectify himself to see other children. He is eating by himself in AWC hot cook meal and also participated in different activities. After watching his improvements activities his mother was very much happy with the AWW as well as GC staff.

The mother of this child helps the AWW for preparing bags weather and calendar bags for children. Now the mother committee is happy and also thanks to GC for this type of activities conducted in their village.
